

KINGSWOOD PRESCHOOL NEWSLETTER

December 2017 – Term 2

Our final term of 2017 has been packed with Christmas crafting, preparation for the nativity and lots of other fun festive activities.

The nativity performance took place on the final Monday of term and we were so proud of all the children for donning their costumes and standing on stage in front of a hall full of people.

Thank you for supporting this event by organising costumes and turning up to watch. The staff worked really hard to make it happen and we do hope you enjoyed watching your little ones shine up there.

New Starters

A special welcome to the following children who have joined us this term:

Fraser

Rory

Kitty

Maggie- Mae

Term Dates

Term 3:

**Mon 8 Jan - Fri 9 Feb
2018**

Some of our Christmas crafting

Dancing Bear Performance

This term we held our first ever dance show, inviting parents of children that attend on a Tuesday session to come and see what goes on in Dancing Bear.

Miss Steph led the children through a lovely display of singing and dancing. The children joined in beautifully and really showed how much they had learnt over the weeks.

If you would like to know more about Dancing Bear sessions, please speak to Angela.

Reminders

Winter clothes

As the chilly weather takes hold we would like children to have a coat, hat and gloves in Pre-School so they can still enjoy playing outside.

Please ensure all items of clothing are named.

Spare

Please send your child with a bag of spare clothes for every session. We often get wet or messy when playing.

Do you have any items you could donate to our spare clothes pile? We always need extras for emergencies. If you have any unwanted items of clothing please pass them to Angela.

Birthdays

Happy Birthday to the following children who have celebrated birthdays this term

- Lara and Matthew turned 3.
- Abigail, Jacob P-B, Paul and Joshua all turned 4.

Meet the Team - Yati

Yati has been working at Kingswood Pre-School since 2011. Often described as our 'behind the scenes superstar', she works tirelessly to ensure that all the crucial things get done to allow our days to run smoothly. She doesn't have key children but she sets up and tidies away, prepares resources and can be found at home every Sunday making play-doh in her kitchen! She also takes care of the most important part of the day - snack time!

Yati has lived in Kingswood village since 2005 and has two children of her own, aged 12 and 10. When asked what she enjoys about working here she tells us that she loves the routine. "I can walk to work, which is great, and I get to spend the day with such lovely children."

When she's not working Yati is busy babysitting or walking her dog.

Run, Pre-School, Run!

We asked Seth about a new initiative Angela has introduced to get the children moving on Mondays

What do you do on Monday afternoons when you go outside with your trainers on?

Seth: "We do running. We do a warm up first."

Do you do races?

Seth: "Yes, we run in pairs and then we do relay races as well"

Do you enjoy it?

Seth: "Yes, it's fun! I'm really fast!"

Angela leads the sessions and the children really enjoy running with her. It is a great way for the older ones especially to let off some steam and practice skills such as team work and good sportsmanship. Angela is hoping to introduce some obstacles to their training soon and says it is all good practice for our first ever Kingswood Pre-School Sports Day, coming this summer!

We would like to wish all our families a very happy and relaxing Christmas break. We'll see you in the New Year!
