Staff medication on the premises must be securely stored and out of reach of children at all times. If staff are found to be working under the influence of alcohol or drugs they will be subject to a disciplinary meeting.

Staff failing to show due regard for confidentiality will be liable to disciplinary action under the provisions of the Staff Disciplinary and Grievance Procedure policy.

If a staff member works in more than one setting they must be aware that they must not share information regarding children and families between settings. If there are
